

CHESTERFIELD TOWN HAPPENINGS

July 2023

Board of Selectmen Notes July 2023

The Board of Selectmen is applying for a Housing Opportunity Program grant which will allow the town of Chesterfield to get assistance in analyzing and updating our land use regulations to help increase housing development opportunities and updating our Master Plan. One of the first things on our list is a townwide survey about housing needs assessments. Please be on the lookout for it during the month of July.

There will be a Summer Informational Meeting held at the Town Hall on Wednesday, July 19th at 6:30 pm. Topics to be discussed will include North Shore Road paving, recommendations from the Watershed Committee, Gravel Roads Committee and Chesterfield Revitalization Committee, Community Power, Spofford Lake boat launch, and the new police garage. Please join us with your questions.

Don't forget the Chesterfield Library BBQ to be held on Monday, July 10th at 5:30 pm. It will be a great opportunity to see your neighbors!

Artist Rebekah Bassen Presentation, Wednesday July 13, 6:00 PM

Rebekah Bassen is an artist and designer who works with hand woven textiles and sculptures as well as on paper developed using the techniques and processes of traditional surface design.

As a student of sociology and photography at Simmons college in Boston, she developed an observational practice that has translated to her works in fiber. Her work is formulated in response to sensory and psychological experiences as well as the properties of her physical materials. The resulting works are meditations on daily environments; the contrasts, compositions and shifting of the world around us.

In 2017, Rebekah received a BFA in Textile and Surface design from The Fashion Institute of Technology. She has applied the skills honed there in a variety of ways including textile education for youth, as a staff designer at a mill, designer of hospitality upholstery and as an art fabricator developing techniques for fine artists looking to incorporate fiber and textile techniques into their work.

Rebekah currently consults with artists and designers under her company R. Bassen Studio while continuing her own art practice with a current interest in large scale woven "paintings" and exploration of basketry technique.

NEW Library Book Club, Tuesday July 11, 5:30 PM

Parks and Recreation July Happenings

Summer is finally here and summer camp started on Monday, June 19th and the kids are all excited to be swimming in the lake and playing on the beach. It is going to be a great 8 weeks of camp with a different theme each week.

North Shore Bathrooms are all renovated and ready to use. A special thanks to Ray Dunn for using his spray gun to paint the bathrooms, Joe Hanzlik for putting in the 3 new doors and installing the beautiful floors, and Doug Adler for building our changing rooms (It was a big puzzle but he figured it out) Also a new gutter is up and in the next few days we will be staining and weatherproofing the deck (one bathroom will be opened at a time during this)

We have moved the resident-only beach sign closer to the road (Thanks for the help of Josh and Jack Lynde) and put one on each side to hopefully deter the non-residents for thinking they can enjoy North Shore Beach.

Very excited to have Erin Soltys starting Yoga on the beach on Sunday July 2nd from 9:00-10:00 am, at Wares Grove Beach.

More information can be found in her post on the Chesterfield Facebook Page. Who doesn't want to do yoga on the beach? so fun.

Happy Summer
Darlene Smith
Parks and Rec Director

ECONOMIC DEVELOPMENT COMMITTEE

There will be a summer craft fair that will be combined with the Saturday, Chesterfield Farmer's Market on Saturday, August 12th from 9 AM to 2 PM. Please come out and support our local Chesterfield artisans.

Our July meetings will be on the 13th and the 27th.

Questions? edc@nhchesterfield.com

Thanks to finally getting some good rainfall, the woods are a wonderful place to wander. It is also a great time to go searching for plants. To get you started, I'm sharing a picture of a Cinnamon Fern, a lovely contributor to the forest understory. See if you can find them and notice what kind of environment they are growing in. Then notice what other plants are sharing their plant community. Happy hunting!

Chesterfield Office of Emergency Management (OEM) Report – July 2023

Chesterfield OEM is working diligently to support our community! As our local government prepares for everyday emergencies, the number and scope of incidents can overwhelm conventional emergency services. OEM volunteers are trained to assist. This valuable course is designed as a positive and realistic approach to emergency and disaster situations where citizens may initially be alone and their actions can make a difference. We work closely with the NH Homeland Security & Emergency Management (HSEM) teams and had our LEOP (Local Emergency Operations Plan) approved and renewed for the next few years.

Updates to date from the Chesterfield OEM team:

- 1 – OEM offered N95 Masks via the OEM committee members to spread the word to residents when the Canadian Fire Smoke Conditions impacted our area in early June. If we had a more comprehensive mailing, we would have offered them directly to township resident. We are working on compiling a single list and encourage you to SIGN up when it is offered.
- 2 – OEM hosted an EOC (Emergency Operations Center) in March when the community lost power and we had a generator running in the OEM facility to provide power for phones, PCs, etc. We also provided snacks and were staffed by OEM volunteers in 2-hour shifts.
- 3 – There was a Chesterfield School Fire Educational Burn held on April 14 as a means to do training in the event of a field/area fire. Many Cheshire County organizations participated and it was also a big success. Our thanks to the many public and private entities participating.

4 – In FY'2022, our OEM team and Town Administrator, Alissa Thompson, worked together to use NH State Funding to purchase a number of resources. This was a 9:1 split for up to \$50,000 in risk-based supplies and services. Together with the OEM Budget, police and fire participation, we invested about \$5,000 and the State of NH matched us with about \$45,000 in funds.

5 – Within this 9:1 Grant program, Chesterfield gained the following important safety items;

- a. New generator
- b. New electrical road sign
- c. New AEDs for police use
- d. New telephone system in the OEM office
- e. Additional PPE's, masks, supplies, kits for COVID support
- f. MREs (Meals Ready to Eat) and other necessary supplies.

6 – On Saturday, June 3, Ralph Petti and John Keppler (Deputy OEM Director), attended an all-day Emergency Preparedness event in the Concord region to learn of new resources available by HSEM and other agencies and to network with neighboring town. Thanks for going, John!!

*** For info about "your" OEM Office – Please contact us at OEM@NHChesterfield.com ***

Submitted by Ralph Petti, Director – Office of Emergency Management Cell: 908.310.6381

Thank you for your support and participation!

Community Events

Every Saturday 9 to noon: **Chesterfield Farmers' Market.** Veggies, flowers, plants, breads & sweets, maple syrup, honey, crafts. Route 63 in the center of Chesterfield.

The Spofford Lake Association is pleased to host a Zoom session on "Understanding Loons" on July 13 at 7:00pm. Spofford Lake has been the proud home of a mating pair of loons for a number of years, though there are no chicks in 2023. The Loon Preservation Committee will tell us everything we need to know to assure their long and happy life here. Click here to join a Zoom meeting, <https://us06web.zoom.us/j/84412682727?pwd=SEplQ2JVdlpkOWJ0SkYxdElQbEVNdz09>, Meeting ID: 844 1268 2727, Passcode: 345817

Alternatively, go to SpoffordLakeAssociation.org where the meeting coordinates will be posted.

Chesterfield Senior Luncheon will take place at the Ware's Grove on Wednesday, July 12th at 12:30. If it rains, the location will be the Town Hall. The menu will be hamburgers, hot dogs, potato salad, veggies & dip, chips, cookie bars and soda. Suggested donation is \$5.00. Please call (603) 363-9319 for reservations.

Outhouse Americana - The Iconic Necessity

Wed. July 12th at 6:30pm

Town Hall – In Person Only

By Geor Papp

Although taken for granted, the outhouse is a chronicle of America's development and certainly has enriched our folklore. This presentation includes interesting props and models. What can modern day outhouse misconceptions teach us about colonial literacy? What's the meaning of kybo and just how do you play woo-woo in the privy? Come and join us for this well-researched, folksy, factual, and entertaining talk by a true craftsman. Presented by the Chesterfield Historical Society

If you would like to add to the Community Happenings next month, please see the guidelines below!

Anyone can post an event so long as it is of broad public interest, is open to all Chesterfield residents and is not meant solely to enrich the individual or organization. The following criteria also apply:

No tag sales;

No "help wanted" or "for sale" ads;

No politics or religion (Churches may list suppers or bazaars so long as they are open to the general public and have no overt religious function;)

No business advertising (Businesses may list events of community interest, i.e. grand openings, blood drives, food drives, but not any event that requires a purchase or is for the financial gain of the business itself.)

All submissions must include the name, address and phone number of the person submitting the item.

Each entry is limited to a maximum of 25 words.

The coordinator and Town reserve the right to reject any submission. Items may be rejected because of incomplete information, lack of clarity, or for going beyond the word limit. Neither the coordinator nor the Town will contact the submitter for corrections. Deadline for submissions: the 22nd of the month preceding. Email to jwscott924@gmail.com with the subject line "Happenings".
