

Gravel Road Committee

Minutes for 7/6/23

Town Offices

Attendees: Harvey Clough, John Zannotti, John Kondos, Brad Roscoe, Bart Bevis, plus Fran Shippee and BA

11:00 a.m. – Call to Order

Review/Approve minutes of 5/30/23 meeting- Brad moved, 2nd Harvey, approved

Note- Tricia is done this week.

With little mud season to observe we can't determine much about the geotextile. BA reported Atherton Hill Rd held up well but mud season was only very early and not too bad.

Zinn Road was completed; it will be added to Committee report. It looks good, according to John.

It was suggested and agreed that Bart & BA would document the known use of fabric on gravel roads to at least have a list and possibly a map.

Given the heavy rains this season, erosion was raised as another concern, beyond mud season, for gravel roads. BA was asked to identify problem areas and this will be discussed further at next meeting.

Next Meeting: Target 9/20 @ 11am, plan 10/17 @ 11am for budget inputs

11:20 Motion to adjourn by Harvey, 2nd John, approved.
