

Gravel Road Committee
Minutes for 11/30/22 at Town Offices

Attendees: Harvey Clough, John Zannotti, John Kondos, Brad Roscoe and Fran Shippee

Began at 10:10 a.m.

Minutes of 11/17/22 meeting- not available.

We did not receive any input from UNH Tech Center on gravel road construction. Fran tried to reach the UNH stormwater resources group w/out success, she will try again.

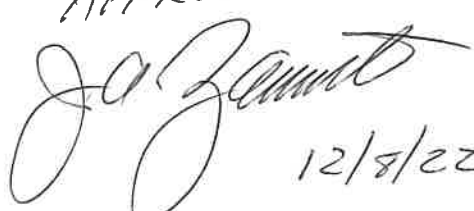

We discussed the Poocham Rd reconstruction done in 2004 by a contractor w/ some Town support for \$92K for 3000 feet.

We discussed the 2nd draft Gravel Road Committee Report by Harvey. The priorities and budgetary estimates are OK, the need to observe Atherton Hill Rd and pursue additional technical input should be clarified.

Brad moved and John Z seconded a motion for John K and Harvey to incorporate this input and reorganize as suggested and send a 3rd draft to Tricia well before our next meeting. It was approved.

Next Meeting 12/8 at 10 AM To finalize and sign report to Selectboard.

11:05 Adjourned, motion by John K, 2nd by Brad, approved.
