

**Board of Selectmen  
TOWN OF CHESTERFIELD, NH  
SELECTMEN'S MEETING**

March 3, 2022

In attendance were Gary Winn, Fran Shippee, Kelli Hanzalik and Tricia Lachenal

Gary Winn called the meeting to order at 11:05 AM.

Brad Roscoe was in attendance to speak about Town Meeting.

Roscoe noted that there will be no change to Town voting. Town voting will remain at the Camp Spofford Gym.

The board and Roscoe discussed the potential to change Town meeting to allow everyone in the Chesterfield School as the school mask mandate has been dropped. Roscoe noted that the school can change their minds and institute a mandate again if they feel the numbers require that change.

The moderators will leave things like they are with notice that it may change. The final decision will be made and posted to the town website by Friday at noon.

If the requirements remain the way they are, the moderators will move the entire meeting to the school. There will be a separation of people that want to wear masks and people that do not want to wear masks. It was noted that the school has ventilation and enough room to keep people separated so that everyone feels comfortable.

*Gary Winn moved to have the final decision on Town Meeting location(s) made by noon on Friday 3/11/22 at the discretion of the two (2) moderators. The motion was seconded by Fran Shippee and passed unanimously.*

Winn and Roscoe will put together a notice and have Lachenal send out a notice to people that have subscribed to the happenings notifying them that there is a potential for change and that the final decision will be made by Friday at Noon and posted to the town website.

Winn left the meeting.

*Fran Shippee moved to go into non-public session #1 under 91-A:3, II (d). The motion was seconded by Kelli Hanzalik and passed unanimously.*
