Economic Development Committee Agenda

June 23, 2022 6:00 PM

Town Offices

(Zoom option not available)

Call to order

Approval of Minutes

Old Business

1. Purchase a 1/2 page ad in Old Home Days booklet to promote EDC and seek new board members.
2. Video by Hannah Grimes. Julianna to move forward when she has time.
3. Business mixer location at Copper Canon hopefully July 14. Chele met with him and will explain meeting. Blake will speak about his business. What should we have for food?
4. Todd Horner is to speak with Keith about helping with Senior Housing. Todd is on vacation.
5. Recruiting new members. I talked to a person who recently moved here and is interested in volunteering on some town committee. Chele sent him info on EDC. Hopefully he will visit a meeting and like what he sees.
6. Website cost and credit card. Asked Fran to check into.
7. EDC table at Old Home Day Once event is underway and my duties are done, I can do 10:30 till noon. Julianna volunteered to do some time in afternoon. Need others to help setup and take down a booth. What papers and info can we have on table/ What the EDC has and is doing, looking for recruits, questionnaire asking for input on possible other projects (what did we have at the People Bank table). Any further ideas?
8. After school/day care conversation. Darlene is hoping to put this into action. Jeff was to invite her to next meeting. It might be good to invite Tricia also since she and Darlene are working together on this.
9. Brownfield on 9A. No new action. Maybe someone other than myself can motivate Kelli to get back on this project.
9. Other old business.

NEW BUSINESS

1. Would like to discuss having a Chesterfield Business Day possibly in November prior to Christmas. Any Chesterfield business that wants to participate could join in and feature their business by offering food or

discounts or free something to get people to travel to Chesterfield. I talked briefly to Kevin at J&J and he was very supportive of such an idea.
